

Veterinary Muscle Tonic

Veterinary Muscle Tonic is a supplementary source of concentrated gamma oryzanol naturally containing tocotrienols and tocopherols to support muscle development and growth also enhances the metabolism of stored fat for conversion to lean muscle.

Presentation	420ml
Composition	Gamma Oryzanol 1,200mg/15ml
Analytical Constituents	Crude Protein: 0.5% Crude Oil and Fat: 100% Crude Fibre: <0.5% Moisture: 0.2% Crude Ash: <0.1% Sodium: <0.5% Gamma Oryzanol: 8.37%
Instructions for proper use	All Horses: Feed 15ml with the normal daily feed. With a plastic syringe it can be applied directly to the horses mouth or simply be poured over the feed pellets. Veterinary Muscle Tonic is made with highly concentrated Rice Bran Oil, which contains Gamma Oryzanol. Gamma Oryzanol can support muscle growth. Veterinary Muscle Tonic can be used prior to training and in regeneration periods. Rice Bran Oil gets absorbed easily by the digestive tract. For best results it is recommended to feed Veterinary Muscle Tonic daily over a period of two months.

Shake well before use.
